Sub-content: Unified teams delivering seamless, end-to-end logistics and freight solutions.

Mission & Vision

At Expeed Logistics, our mission is clear-deliver logistics that are not only on time, but ahead of the curve. We craft smarter, faster, and more reliable supply chain solutions tailored to every business.

We envision Expeed Logistics as a global name in logistics excellence, where innovation meets precision, and every move builds lasting trust.

Our Services

Air Freight

Expeed's air freight forwarding services deliver your cargo with unmatched speed-to-market and secure handling. Ideal for time-definite or high-value shipments, we ensure express transit, real-time shipment visibility, and seamless customs brokerage. Leveraging our IATA-certified network and strategic air cargo routes, we move goods with precision globally, and right when your supply chain needs it most.

Fast, global cargo delivery for urgent supply chain needs.

Efficient service backed by real-time support and tracking.

Safe handling from origin to final destination.

Trusted air carriers ensure reliability & performance.

Our Services

Sea Freight

Our sea freight services offer port-to-port and door-to-door shipping with economical transit options. From FCL (Full Container Load) to LCL (Less-than-Container Load), we tailor solutions to fit your routing schedules and budget. Through strong carrier contracts, container tracking, and efficient freight consolidation, we ensure that your cargo navigates global waters smoothly and reliably.

Affordable transport for large or bulk shipments worldwide.

Flexible shipping options tailored to your business requirements.

Reliable carrier networks across global trade lanes.

End-to-end ocean freight support and customer care.

Our Services

Road Freight

Expeed's road freight services offer robust FTL (Full Truckload) and LTL (Less-than-Truckload) options across domestic and cross-border lanes. Our fleet is equipped with GPS tracking, route optimization systems, and compliance with regional transport regulations. Whether you're handling just-in-time delivery or large-scale distribution, our ground logistics provides safe, timely, and transparent transport every mile.

Dependable ground transport across borders and regions.

Flexible solutions for small or large shipment sizes.

Timely deliveries backed by experienced driver network.

Complete visibility & consistent performance on the road.

Our Services

Warehouse & 3PL

Our warehouse and third-party logistics (3PL) services offer scalable, tech-driven storage and distribution solutions. From inventory management to order fulfilment, we handle it all—so you can focus on growth. Our secure facilities and smart logistics integrations help streamline your supply chain while reducing costs and increasing operational efficiency.

Secure facilities for all types of stored goods.

Organized systems for fast, accurate inventory handling.

Outsourced logistics that reduce your operational burden.

Scalable support for growing storage and distribution needs.

Our Other Expertised Services

Exhibition & Event Cargo

Specialized handling for time-critical events and expos.

Cargo Insurance

Confidence in every shipment

Packing, Lashing & Cargo Protection

Oil & Gas

Pharmaceutical

Technologies and infrastructures used

At Expeed Logistics, technology and infrastructure work hand in hand to deliver speed, precision, and reliability across every shipment.

1. Real-Time Tracking

GPS-enabled visibility with live status and predictive ETAs.

2. Warehouse Management System (WMS)

Automated inventory tracking and space optimization.

3. Transport Management System (TMS)

Smart route planning and fleet coordination for maximum efficiency.

4. Cold Chain Monitoring

IoT sensors ensure temperature-sensitive cargo stays protected.

5. In-House Packing & Lashing Units

Professional cargo protection services under one roof.

6. Strategic Warehousing

Secure, climate-controlled, and positioned across key global trade routes.

Why Choose **Us**?

From point of origin to final destination, Expeed covers every step. Our integrated logistics services include air freight, sea freight, road transport, and warehouse management—backed by smart systems and expert support. You focus on your business, we'll handle the logistics.

“Air freight is vital to our timely product delivery as a veterinary provider. With their quick and dependable services, Expeed International Logistics has been an excellent partner. Our operations have benefited immensely from their thorough attention. We strongly suggest their services.”

“Expeed International Logistics has been a key partner. We have maintained a seamless supply chain for our medicinal supplies, thanks to their air and sea freight services. We appreciate their commitment and hope to collaborate with them much more.”

“Expeed International Logistics has been an important addition to LG, providing great air and sea freight services as well as 3PL solutions. Regardless of the cargo, Expeed guarantees that we receive the best service. Because of their experience, we’re sure that our products are in secure hands.”

“Working together with Expeed International Logistics has changed the way we do business. Their delivery of medical devices via air and sea freight, warehousing, and customs processing has been great. For all logistics need, we highly suggest Expeed.”

At Expeed Logistics, every shipment is more than a delivery—it’s a promise fulfilled. With optimized freight solutions, real-time tracking, seamless customs clearance, and smart warehousing, we offer end-to-end control over your cargo journey. Wherever your business takes you, Expeed ensures your logistics flow—faster, safer, and smarter.

Driven by Logistics. Defined by Trust.

Let's Move the World Together.
